

## Teacher Guest Rooms in Roost

\* If you are sharing your week with other schools, you will not have access to all of these rooms. Each room contains 2 single beds; teachers will be asked to share a room. Please place teachers two in a room on this form and we will do our best to accommodate single rooms but it is not guaranteed. Room numbers will change upon arrival to NorthBay. **\*Teachers are not permitted to bring guests (including family members, spouses, friends, etc.) on the trip.**
