Educator Job Description

PHYSICAL DEMANDS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

The job functions of this position require that educators be in the outdoors in all weather including but not limited to rain, snow sleet, high wind, cold, heat, and may be exposed to biting and/or stinging insects to include but not limited to ticks, chiggers, mosquitoes, flies and bees. Extensive walking and standing is required of this position.

WORK ENVIRONMENT:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

The noise level in the work environment is usually moderate.

The work environment is primarily outdoors and educators may be exposed to all types of weather including but not limited to rain, snow sleet, high wind, cold, heat, and may be exposed to biting and/or stinging insects to include but not limited to ticks, chiggers, mosquitoes, flies and bees.
